IVC Frequently Asked Question

What is a Virtual Conference?

A virtual conference is a way of presenting research paper via Internet, without the necessity of physical attendance. Conference participants do not travel anywhere

Why virtual conference?

Non-physically attendance – the conference runs online at www.isca.net.co/vconference/. Such approach spares time, reduces cost and proposes outputs comparable to classical conferences. For more information about virtual conference visit IVC web page.

Who can attend the conference?

All scientists and researchers, who are interested in presenting their research work. All scientists and students, who would like to participate at the conference without any presentation. Both interested participants must register at first.

Where does the IVC take place?

The conference will be held fully online at the portal: www.isca.net.co/vconference/

When does the conference start?

All accepted papers, by the Scientific Committee, will be presented at the conference from August 5 until August 10, 2024.

IVC Step wise procedure

Step 1:- Submission of Abstract by email at conferenceivc@gmail.com

Step 2:- After the acceptance of abstract, submission of registration fees. For Registration fees details please visit the link:

<http://isca.net.co/vconference/registration.php>

Step 3:- Submission of Online Registration form available at <http://isca.net.co/vconference/registration.php>
